Action Song

What does Granny do?

Granny roasts groundnuts.

What does Tai do?

Tai shells the groundnuts.

What does mother do?

Mother pounds the groundnuts.

Pound, dear, pound,

The groundnuts pound.

Along with groundnuts

The jaggery pound.

Groundnuts and jaggery

We'll knead together

Come, let's all make *laddoos*.

And eat together!

- Ask the students to name the fingers. Give practice of the hand gestures or *hasta mudras*.
- In the action song ask them to visualize each activity. Then they should enact those activities.

Action Song based on Nature

Come girls come, Come girls come,
Under the *Prajakta* tree
Let's pick flowers.

Come girls come, Come girls come,
Along with the Cuckoo (*Koel*),
Let's sing songs.

Come girls come, Come girls come,
Along with the blue peacock
Let's do a dance.

Come girls come, Come girls come,
Along with the frog and rabbit
Let's leap and hop.

Come girls come, Come girls come,
Under this mango tree
Let's go to sleep.
