# 25 Addition (upto 18)

## Let us recall

6 + 3 = 9

## Try to understand

8 + 4 = 12

- **Addition (By horizontal arrangement)**

* **Draw lines equal to the given numbers. Add and write the answer.**

9 + 5 = ☐

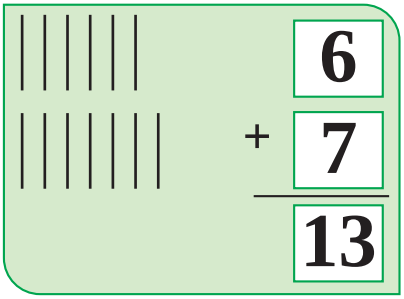
||||||||| |||||

6 + 6 = ☐

8 + 7 = ☐

9 + 4 = ☐

* **Addition (By vertical arrangement)**



$$\begin{array}{r} 6 \\ +\ 7 \\ \hline 13 \end{array}$$

$$\begin{array}{r} 8 \\ +\ 8 \\ \hline \square \end{array}$$

$$\begin{array}{r} 9 \\ +\ 6 \\ \hline \square \end{array}$$

$$\begin{array}{r} 8 \\ +\ 6 \\ \hline \square \end{array}$$

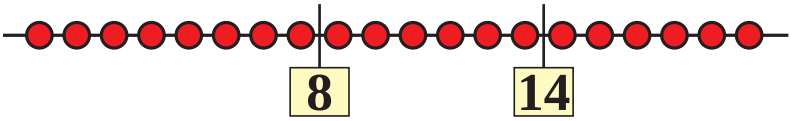
$$\begin{array}{r} 5 \\ +\ 6 \\ \hline \square \end{array}$$

$$\begin{array}{r} 3 \\ +\ 9 \\ \hline \square \end{array}$$

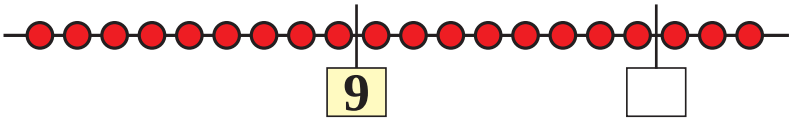
- **Addition (By counting forward)**

* **Add the beads in the string by counting forward.**

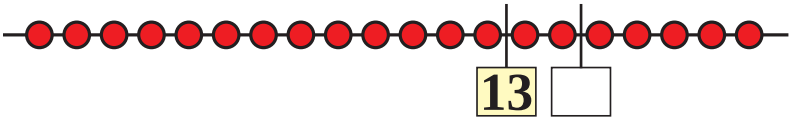
$8 + 6 = 14$



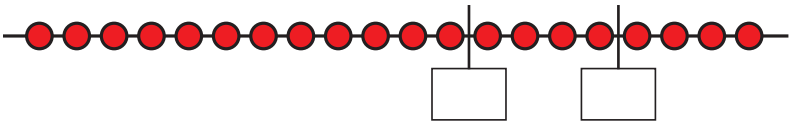
$9 + 8 = \square$



$13 + 2 = \square$



$12 + 4 = \square$



$15 + 3 = \square$

* **Add using number strip.**

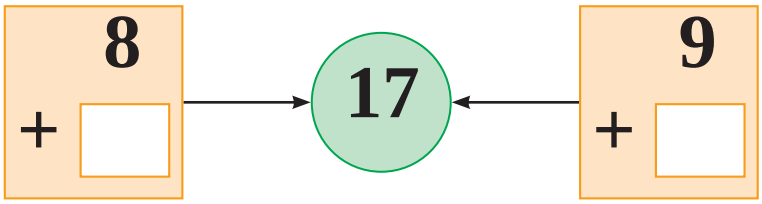
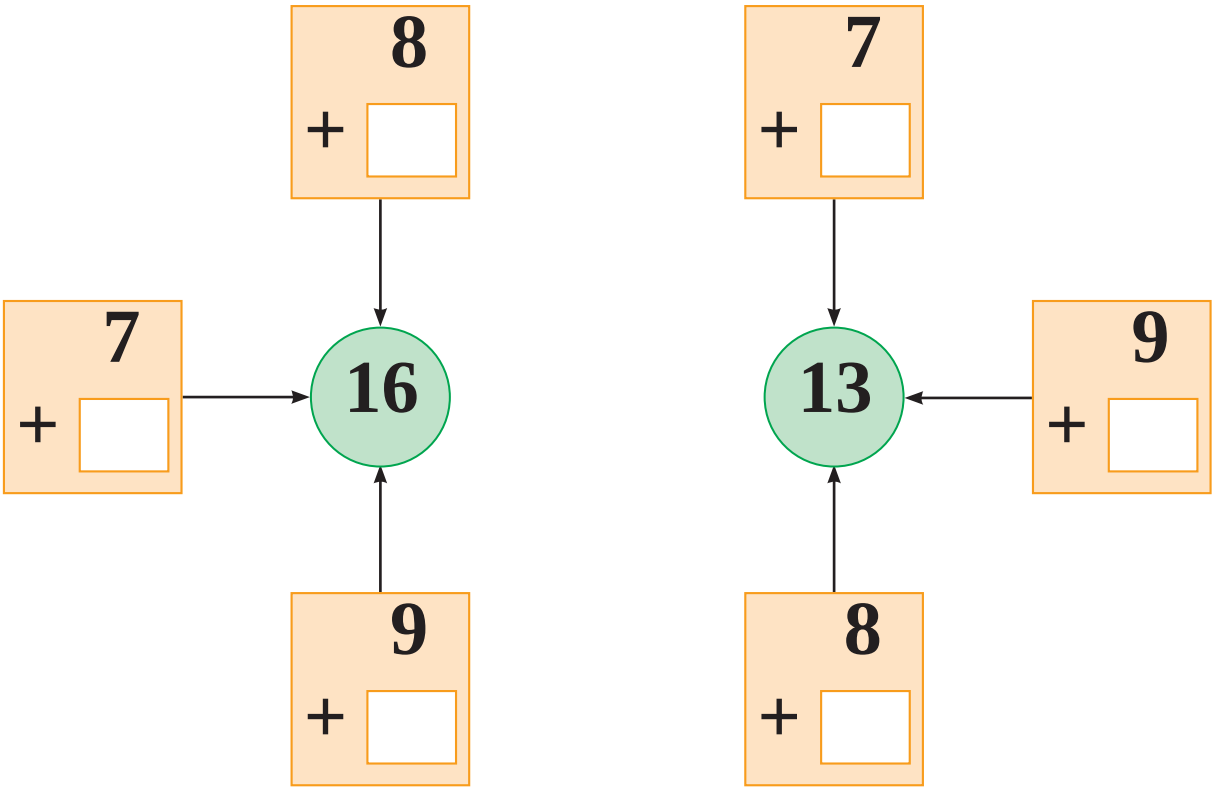
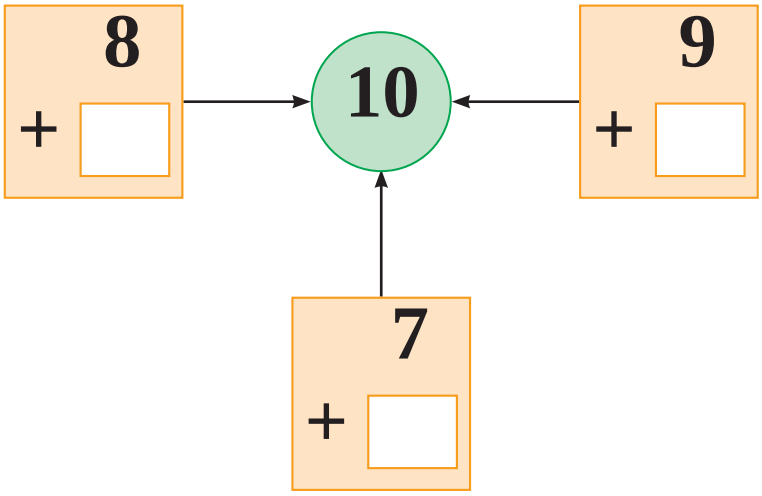
| Manthan brought 6 flowers.<br>Rehana brought 5 flowers.<br>Totally how many flowers did they bring? | ☐<br>+ ☐<br>☐ |
| Sayali read 7 books.<br>Sangeeta read 6 books.<br>How many books did they read in total? | ☐<br>+ ☐<br>☐ |
| There are 8 trees in Simaran's garden.<br>There are 6 trees in Raju's garden.<br>Totally how many trees they have in their gardens? | ☐<br>+ ☐<br>☐ |
| Viju has 3 bulls.<br>Ravi has 7 bulls.<br>What is the total number of bulls they have? | ☐<br>+ ☐<br>☐ |

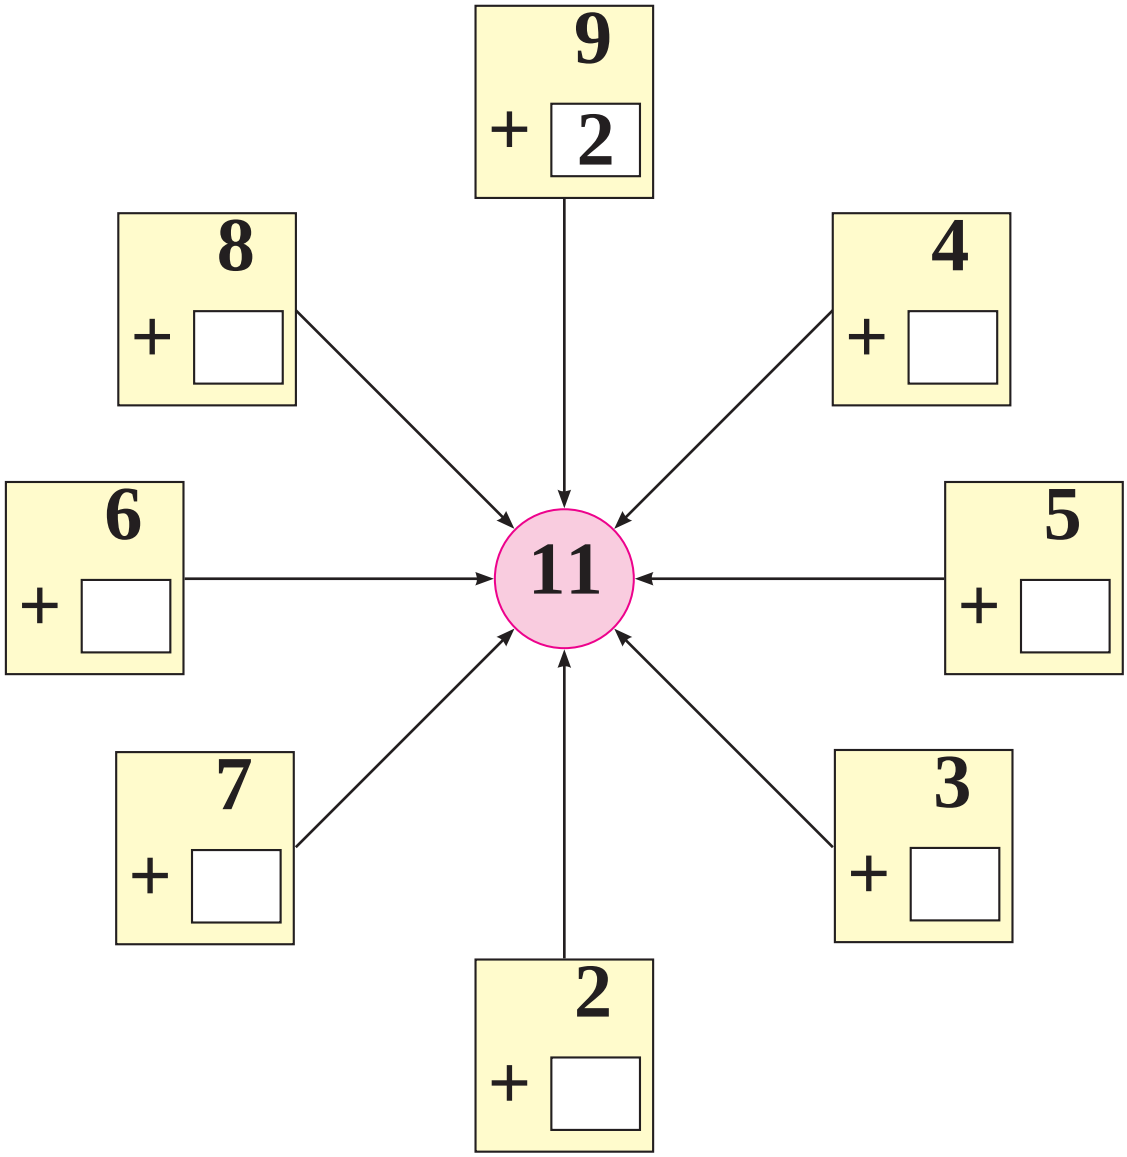
* **Write the appropriate numbers in the boxes.**







* **Write the appropriate number in the empty box.**



Give practice of addition of two single digit numbers so as to get their sum 12, 13, 14, 15, 16, 17, 18. Take practice with several such examples.

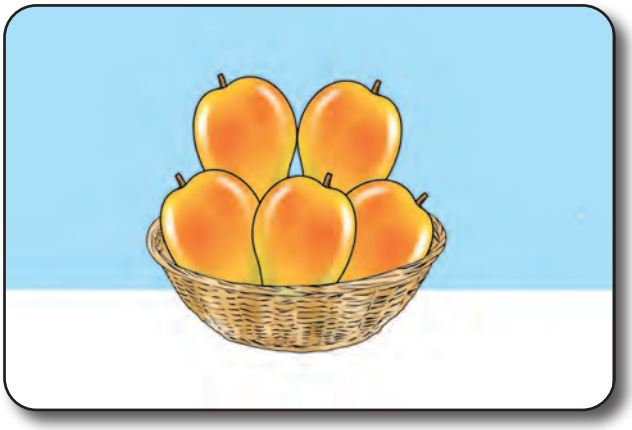
**Lets play a game :** A student will select a number card from a stack of cards and show the number on it. Other students will construct examples such that the sum of numbers in them will be equal to the number shown by the student on the card.

## • Addition - Subtraction : Correlation

Kajal and Deepak saw the bag brought by Baba.

They emptied the bag in a basket. There were 5 mangoes in the basket.

Looking at mangoes ...



**Deepak :** Kajal, I took 2 mangoes from the basket, so now 3 mangoes are left in it; it means 5 - 2 = 3 mangoes are left in the basket.

**Kajal :** See Deepak, we can also say that 3 mangoes are left in the basket and you took 2 mangoes. Means 3 + 2 = 5 mangoes were in the basket.

**Kajal :** Deepak, if you had taken 3 mangoes from the basket, then there would have been 2 mangoes left. This means 5 - 3 = 2 mangoes are left.

3 + 2 = 5

5 - 3 = 2

5 - 2 = 3

**It means from the sum of two numbers if we subtract any one of them, we get the other number.**

* **Solve.**

5 + 2 = 7

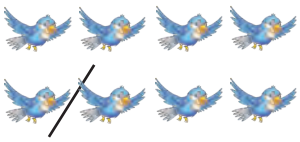
7 - 5 = 2

7 - 2 = 5

5 + 4 = 9

☐ - ☐ = ☐

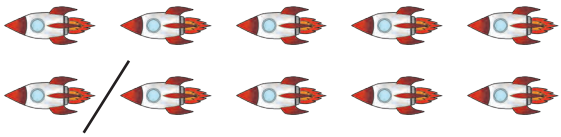
☐ - ☐ = ☐



☐ + ☐ = ☐

☐ - ☐ = ☐

☐ - ☐ = ☐



☐ + ☐ = ☐

☐ - ☐ = ☐

☐ - ☐ = ☐

4 + 3 = 7

7 - ☐ = 4

7 - ☐ = 3

6 + 5 = 11

11 - 5 = ☐

11 - ☐ = 5

9 + 4 = 13

13 - ☐ = 4

13 - 4 = ☐

8 + 7 = 15

☐ - ☐ = ☐

☐ - ☐ = ☐
